Placerville Raley's

Shingle Springs Lee's Feed

The Community Gift Tree is a collaborative effort between the *El Dorado County Office of Education Child Development Program, Catalyst Community and other agencies* to provide their clients with gifts for the winter holiday. These organizations provide early care and education services to income eligible families on the Western Slope. This group was formed in 2006 and has been very successful in providing a place for community members to help those less fortunate and to ensure all children are remembered during the holiday season.
