

# Trauma-Informed Care

## 2023 Virtual Historical and Intergenerational Trauma Series

**Historical and Intergenerational Trauma Series** - This is a three part series that explores how trauma affects parents and children when passed down from those who directly experience it to subsequent generations. Events can affect multiple family members or be collective and affect the larger community, cultural, racial, ethnic, or other groups.

### Historical and Intergenerational Trauma Series

This is a three part **virtual group** that will be offered through May.

Open to all childhood educators in El Dorado County.

**6:30pm - 8:30pm**

**Thursday, March 23, 2023**

**Thursday, April 20, 2023**

**Thursday, May 4, 2023**
