Catalyst Community

[www.catalystcomm.org/community/](http://www.catalystcomm.org/community/)

Catalyst Community maintains a database of licensed programs in El Dorado County. To request a personalized list of centers and or Family Child Care Homes who have openings for school age children please call (530)541-5848.

Care which is exempt from licensure include: Trustline providers, some recreational program (i.e Boys & Girls Club and SLT Rec Center), nannies/au pairs playgroups, school age programs located on school grounds, and babysitting agencies. There is no agency which regulates these types of care. Exempt programs are included in our files at our discretion, and we reserve the right to remove such programs based on any significant complaint. Catalyst Community cannot guarantee the quality of exempt providers in our community, nor can we recommend one provider over the other.

Information on selecting quality childcare is available to help parents select quality childcare

([www.cclcd.dss.ca.gov/carefacilitysearch/Search/ChildCare](http://www.cclcd.dss.ca.gov/carefacilitysearch/Search/ChildCare)).

Catalyst Community recommends parents visit each facility and carefully interview the provider before placing a child in care.

This is a great opportunity for children to gain self esteem in learning something new as well as make friends with other kids that have similar interests. Our experienced coaches teach the fundamentals of mountain biking in a fun and action packed environment to prepare the next generation of mountain bikers!

Our kids summer MTB camps are a **FIVE DAY fundamentals course (10am-4pm)** covering all the basics needed to shred your bike. We will be playing games and doing drills you can practice at home.

Each camp, your little shredder will receive professional coaching, life skills, meet new friends, learn how to work on the bike and how to handle hard trail situations with multiple options. At the end of camp each participant will receive a shredders diploma, gifts, goodies and the joy of experiencing the great outdoors as they should be. I stand by my camps and I know your child will learn and enjoy themselves at the same time. Let's get it.

Registration closes two weeks before camp.

We need to have 5 riders participating to host each RAD CAMP. Why not get a group of friends together and get sendy with us? 50% deposit secures your spot!

Dependent Care FSA receipts are available on request for these camps.

Please note that we do not provide bikes or equipment.
