

Free VIRTUAL Childcare Provider Workshop

At the end of the workshop, participants will be entered into a raffle to win learning resources for their program!

Wanting to transform your childcare space? Join our workshop focused on learning environments and program routines.

You'll discover how to:

- Design a space that sparks curiosity and supports development.
- Create predictable routines that build a sense of security and independence.
- Transform daily activities into rich learning opportunities.

Walk away with practical strategies to create a nurturing, engaging, and successful program!

Wednesday, August 20th 6:30pm-8:00pm
