Virtual Childcare Provider Workshop

Thursday, December 11th 6pm-7:30pm

Providers will learn practical, essential strategies for effective germ prevention and emergency preparedness unique to the winter season. Gain the skills and confidence to minimize illness, handle unexpected situations, and ensure a healthy, safe environment for every child.

Take Home Your Emergency Preparedness Backpack \$150+ Value!

(Must attend the full training and be an FFN or Family Childcare Home provider in El Dorado County)
