

Emergency & Disaster Preparedness Workshop

Virtual Child Care Provider Lunch & Learn

Is your child care program ready to meet the changing emergency and disaster preparedness licensing requirements that go into effect on January 1, 2027? Join us and St. Vincent de Paul Disaster Services to learn:

- **Requirements:** Learn what the new requirements are
- **Plan:** Leave with the tools and resources to create a plan that meets the new requirements
- **Experts:** Connect with disaster experts to learn about the local tools and resources you can use to support your plan

**Tuesday,
November, 17th
1:00 pm-2:00 pm**

In Partnership with:
